About the Authors

Leslie W. Rue is professor emeritus of management at Georgia State University. He received his Bachelor of Industrial Engineering (with honors) and his Master of Industrial Engineering from Georgia Institute of Technology. He received his Ph.D. in Management from Georgia State University.

Prior to joining Georgia State University, Dr. Rue was on the faculty of the School of Business, Indiana University at Bloomington, Indiana. He has worked as a data processing project officer for the U.S. Army Management Systems Support Agency in the Pentagon, and as an industrial engineer for Delta Airlines. In addition, Dr. Rue has worked as a consultant and trainer to numerous private and public organizations in the areas of planning, organizing, and strategy.

Dr. Rue is the author of over 50 published articles, cases, and papers that have appeared in academic and practitioner journals. In addition to this book, he has coauthored seven other textbooks in the field of management. Several of these books have gone into multiple editions.

Lloyd L. Byars received his Ph.D. from Georgia State University. He also received a Bachelor of Electrical Engineering and a Master of Science in Industrial Management from Georgia Tech. He has taught at Georgia State University, Clark Atlanta University, and he is currently professor of management and director of undergraduate programs, School of Management at the Georgia Institute of Technology.

Dr. Byars has published articles in leading professional journals and is also the author of four textbooks, which are used in colleges and universities. He has served on the editorial review board of the *Journal of Systems Management* and the *Journal of Management Case Studies*.

Dr. Byars has worked as a trainer and consultant to many organizations, including: Duke Power Company, Georgia Kraft Company, Kraft, Inc., South Carolina Electric and Gas Company, the University of Florida—Medical School, the Department of the Army, and the U.S. Social Security Administration. Dr. Byars also serves as a labor arbitrator, certified by both the Federal Mediation and Conciliation Service and the American Arbitration Association. He has arbitrated cases in the United States, Central America, and the Caribbean.
