My thanks and love can't be quantified for:

Cherie,

my daughter and the reason I fought through those early days of zero commissions and zero paychecks. Cherie, you were and always will be my ultimate inspiration.

Charles,

my son, the light of my life, and my heart. Charles I just adore being in your presence. I could never thank God enough.

Yvonne,

my wife, who has made me into the man I always could have been and should have been. I love you and I love your strength. You are a tower of power and you keep me strong.

Ruth,

my mother. No matter how tough things got, no matter how dark some days looked, I never felt deprived, I never felt poor, and I never felt hopeless. When I told the world I wanted to work on Wall Street, you were the only one who made me believe I could.
