PageOut® Distance Learning Tool

PageOut® is McGraw-Hill's custom course Web site development tool. With PageOut®, you can

- build online courses, for which your students can self-register
- easily add your own content
- post announcements
- upload files
- create quizzes
- build a syllabus
- host discussions
- maintain a grade book

You can learn more about PageOut® by visiting the PageOut® Web site at www.pageout.net.

The *Marketing Essentials* PageOut® template and its course material, syllabus, test bank, and chapter readings are available for customization from the McGraw-Hill PageOut® Library at the PageOut® Web site. Simply select "author" from the "Search by" pull-down menu, and type in the author's last name to see a list of the author's book titles. When you see the book title you are interested in, click on that link for the listing of McGraw-Hill Library Course Web sites.

NOTICE: Information on featured companies, organizations, their products and services is included for educational purposes only, and it does not present or imply endorsement of the *Marketing Essentials* program. Permission to use all business logos has been granted by the businesses represented in this text.
