ACKNOWLEDGMENTS

And without you . . .

The team at Taylor Trade Publishing I count as friends. Thanks to *Rick Rinehart* for believing in this book and the entire series.

Copyeditor *April LeHoullier* was instrumental in catching our phrasing and correcting grammar. Thanks for delivering a superlative finished product.

Julia Hulling creatively designed this book. We are so appreciative of her artistic gifts and ability to match visuals with our stories.

The marketing of every Life Lessons book to the right audience is extraordinarily important to our success. To *Kalen Landow* and *Jessica Defranco*, your professional approach made a significant difference.

I am grateful to *Melissa McComas*, my literary agent, for her support and strategic leadership over the Life Lessons enterprise.

To my daughters, *Heather* and *Jennifer*, who have served as idea editors for this book and have been “transformational” examples of excellence.

To our parents, sisters *Nancy* and *Suzanne*, and brothers *George* and *Dennis* for your traveling companionship throughout our family vacations across America.

Thanks to our traveling friends, *Sue* and *Steve Lundgren*, and *Rosalie* and *Ken Asarch*, who continue to inspire us with their own stories.

To the contributing storytellers of Life Lessons including Chrys and John Howard, Al Roker, David Morris, John Glenn, and many others. You have enriched our lives with your tales.

Our special thanks to fine artists Deb Strain and Annie LaPoint for their refreshing art used inside our book depicting a happy camper attitude.

To AAA and their fifty-three million members for supporting our *Transformed Traveler* show and Life Lessons series.

To Samsonite for their support of the *Transformed Traveler* show.

To the many guests on our *Transformed Traveler* show that continue to inspire us including Seth Kugel, Bruce Poon Tip, Simon Veness, Dr. Toni Neuberger, Laureen Ong, Greg Sullivan, Ellen Asmodeo, Stephen Oddo, and so many other talented contributors around the world.

And thanks to God for giving us ears to hear, eyes to see, sense and sensibility, and an ability to express stories that you as an audience can enjoy.
