## About the Author

This book is dedicated to my father-in-law, Len Martin. I had the great fortune to have in-laws who were also good friends. Len taught me many lessons on home improvement and was always ready to share his experience running a small business. A combat pilot in WWII, Air Force Reservist, and recreational pilot, he "slipped the surly bonds of earth" one last time on July 9, 2019.
