Preface

TOEIC is an English test taken by non-native speakers who want to use English in their international workplace.

In actual fact, TOEIC is a very challenging examination. One reason for this is TOEIC questions use many difficult words. Learners, therefore, need a considerable number of business-related vocabulary items. Another reason is TOEIC questions actually require logical thinking. Many candidates who are not familiar with vocabulary items and not comfortable with this type of thinking may find the test hard to attain the score they need.

Before you start studying for the test, the first thing you should do is set a goal. If you are taking the test in order to apply for a job, find out what proficiency level is required. Next, find relevant and beneficial materials to practice so as to develop your test-taking strategies.

Being aware of the practical demand of learners, we have designed a set of Hackers books at basic and intermediate levels – **Hackers TOEIC Listening** and **Hackers TOEIC Reading** whose materials and questions are well selected from a variety of sources and from the most recent TOEIC tests. A lot of clear and detailed explanations plus a wide range of practice activities in these books will certainly meet your needs and enable you to achieve a high score on the TOEIC test.

This series of books can be used in class with the assistance of an instructor or for self-study.

Hopefully, you will find these books truly practical and helpful, and you will soon achieve your expected goal.

Chapter 07 Advertisements	390
Chapter 08 Notices & Announcements	396
Chapter 09 Articles & Reports	402
Chapter 10 Memorandums	408
Chapter 11 Information	414
Chapter 12 Non-Prose Readings	420

Section 3 Double Passages

Chapter 13 E-mail / Letter-Related Readings	428
Chapter 14 Advertisement-Related Readings	434
Chapter 15 Announcement-Related Readings	440
Chapter 16 Article-Related Readings	446
Chapter 17 Non-Prose-Related Readings	452

Actual Tests 459 Essential Vocabulary & Expressions 513 Answers 543	459
	543

Main Features

This book contains the following features:

- 01.** A large collection of actual questions
- 02.** A comprehensive presentation of English grammar points
- 03.** A combination of fundamental theories and actual practice
- 04.** Typical questions and useful tips for doing the TOEIC Reading test
- 05.** Essential vocabulary and expressions for each part of the TOEIC Reading test
- 06.** Two actual tests

Main Parts

Hackers TOEIC Reading

This book includes the following parts:

01. Diagnostic Test

A diagnostic test is given for you to find out your current level of English and be able to decide on an appropriate study plan and put this book into full use.

02. Grammar: Basic Points

A brief introduction to basic and essential grammar points is shown to help you get a general idea of the fundamentals of English grammar.

03. Grammar: Explanations

All basic and essential English grammar points are then clearly explained to facilitate you in doing Parts 5 and 6 of the TOEIC test.

04. Grammar: TOEIC Questions

You will have a chance to put what you have just learned into practice by doing three typical TOEIC questions at the end of every grammar point presented.

05. Vocabulary & Reading: Types of Questions and Useful Tips

Typical questions in the Vocabulary and Reading sections together with Useful Tips are well presented to enhance your test-taking strategies for Part 7 of the TOEIC test.
