About Peterson's

Peterson's is the country's largest educational information/communications company, providing the academic, consumer, and professional communities with books, software, and online services in support of lifelong education access and career choice. Well-known references include Peterson's annual guides to private schools, summer programs, colleges and universities, graduate and professional programs, financial aid, international study, adult learning, and career guidance. Peterson's Web site at petersons.com is the only comprehensive—and most heavily traveled—education resource on the Internet. The site carries all of Peterson's fully searchable major databases and includes financial aid sources, test-prep help, job postings, direct inquiry and application features, and specially created Virtual Campuses for every accredited academic institution and summer program in the U.S. and Canada that offers in-depth narratives, announcements, and multimedia features.

About the Author

Bruce Rogers has taught English as a second language and test-preparation courses at the Economics Institute in Boulder, Colorado, since 1979. He has also taught in special programs at Bank Indonesia and Bank Negara Indonesia in Jakarta, Indonesia; at the National Economics University in Hanoi, Vietnam; at Yonsei University in Seoul, South Korea; and at the Samsung Human Resources Development Center in Yong-in, South Korea. He is also the author of *The Complete Guide to TOEIC* and *The Complete Guide to TOEFL: Practice Tests*.

Practice Test 1.....

Practice Test 2.....

Practice Test 3.....

ANSWER KEYS AND TAPESCRIPTS

Section 1: Listening Comprehension.....

Section 2: Structure and Written Expression.....

Section 3: Reading Comprehension.....

PREFACE

ABOUT THIS BOOK

If you are preparing for TOEFL, you are not alone. More than three quarters of a million people all over the world took the test in 1995-1996. A high score on this test is an essential step in being admitted to graduate or undergraduate programs at almost all colleges and universities in North America. But preparing for this test can be a difficult, frustrating experience. Perhaps you haven't taken many standardized, multiple-choice tests such as TOEFL. Perhaps you are not familiar with the format of TOEFL. Maybe you've taken TOEFL once but were not satisfied with your score, or maybe you've taken the test several times but can't seem to improve your score beyond a certain point.

In any of these cases, you need a guide. That's why this book was written—to help students preparing for this important exam to maximize their scores.

This is the most complete, accurate, and up-to-date TOEFL preparation book now available. It is based on twelve years of classroom experience teaching TOEFL preparation classes in the United States and abroad and on several years of research on the test. *TOEFL Success* is simply written and clearly organized and is suitable for any intermediate or advanced student of English as a second or foreign language.

TOEFL Success offers a step-by-step program that teaches you critical test-taking techniques, helps you polish the language skills needed for the exam, and generally makes you a smarter test-taker. And the guide is an efficient way to prepare for TOEFL; by concentrating only on the points that are actually tested in TOEFL, it lets you make the most of your preparation period and never wastes your time.

Good luck on TOEFL!
