Listening, Speaking, and Critical Thinking

Pathways, Second Edition is a global, five-level academic English program. Carefully-guided lessons develop the language skills, critical thinking, and learning strategies required for academic success. Using authentic and relevant content from National Geographic, including video, charts, and other infographics, *Pathways* prepares students to work effectively and confidently in an academic environment.

NEW in Pathways: Listening, Speaking, and Critical Thinking

- **Explicit instruction and practice** of note-taking, listening, speaking, grammar, vocabulary, and pronunciation develop language proficiency and build academic skills.
- **Slide shows** of lectures and presentations enhance listening activities and develop presentation skills.
- **Exam-style tasks** prepare students for a range of international exams, including TOEFL® and IELTS.
