Listening & Speaking

Teacher's Book Pack

Skillful Second Edition Listening & Speaking helps teachers prepare students for success in academic university English programmes. Through engaging content, a skills-based syllabus, clear step-by-step lessons, and a strong academic focus, students develop the language, confidence, and skills they need at university and in their future careers.

- The Second Edition features fresh new content, and thought-provoking material and topics.
- Engaging video from Reuters presents language in a real-world context.
- Students learn to use academic English through skills-based tasks and challenging listening material.
- Regular pronunciation activities help students understand spoken English and express themselves clearly.
- Academic vocabulary, and Study Skills from Stella Cottrell give students the language and planning techniques to improve academic performance.
- The fully-interactive Digital Student's Book and Online Workbook provide further practice, reinforcing language skills.

Following a shared topic syllabus, *Skillful Second Edition Listening & Speaking* can be combined seamlessly with *Skillful Second Edition Reading & Writing* for a more comprehensive English skills course, or used independently.
