Introduction

Who is this book for?

Practice Tests for IELTS 2 will prepare you for the IELTS test whether you are taking the test for the first time or re-sitting it. It has been written for learners with band score 5–5.5 who are trying to achieve band score 6 or higher. The book, with its answer key and model answers, has been designed so that you can use the materials to study on your own. However, the book can also be used as part of IELTS preparation classes.

Content

Practice Tests for IELTS 2 is divided into three sections. The first section contains an introduction, an overview of the IELTS test, and strategies for success in the test. The second section contains four complete Academic tests and two General Training tests for Reading and Writing.
