Authors

Huong T. Bui is a professor at the College of Asia Pacific Studies, Ritsumeikan Asia Pacific University (APU), Japan. She holds a PhD in tourism management from Griffith University (Australia). Prior to her career in academia, Huong worked in the tourism industry and was a consultant for tourism development projects in South-east Asia for the World Bank, Japan International Cooperation Agency (JICA) and the Netherlands Development Organization (SNV). She has received research grants from the Japan Society for Promotion of Sciences (JSPS) on dark tourism, heritage tourism, and disaster risk management for the tourism sector in Asia. Her research expertise revolves around conflict resolution, crisis management, sustainable resource management and adaptive resilience of tourism destinations. She has published 40 journal articles in leading tourism journals and edited two books on tourism in Asia: *Tourism and Development in Southeast Asia* (2020, Routledge) and *Nature-based Tourism in Asia Mountain's Protected Area* (2021, Springer). Email: huongbui@apu.ac.jp

Giang T. Phi is an assistant professor in tourism management and innovation/entrepreneurship at the College of Business and Management, VinUniversity, Hanoi, Vietnam. She holds a PhD in tourism management from Griffith University, Australia, and is an expert in tourism, social entrepreneurship, design thinking and sustainable development. The first edition of her edited book is *Critical Issues in Tourism Co-Creation* (2021, Routledge). Besides serving on the advisory board of Community-based Tourism Travel and Consulting social enterprise since 2014, Giang has engaged in high-profile consulting projects for the European Commission and Tourism Accommodation Australia. Having lived and worked in four countries across three continents, Giang now focuses on bringing her global experience to drive positive changes through impactful teaching, research and community services in Vietnam. Email: giang.ptl@vinuni.edu.vn

Long H. Pham is an associate professor and Dean of the Faculty of Tourism Studies, University of Social Sciences and Humanities, Vietnam National University (Hanoi). He is also a visiting professor at Rikkyo University, Japan. He graduated from the Vietnam National University (Vietnam), University of Utara (Malaysia), and holds a PhD from Rikkyo University in Japan. His research areas include ecotourism, community-based tourism, sustainable tourism development, and tourism policies and governance in South-east Asia. He is a leading consultant in sustainable tourism, community-based tourism and ecotourism in protected areas in Vietnam for international organizations such as the British Council Vietnam, Korea International Cooperation Agency (KOICA), German Development Agency (GIZ), United National Development Programme (UNDP), United Nations Educational,

Scientific and Cultural Organization (UNESCO), United States Agency for International Development (USAID), International Labour Organisation (ILO) and JICA. Long Pham has recently received a research grant from the National Foundation for Science and Technology (NAFOSTED), Vietnam, on value co-creation and destination brand equity. He is a senior policy adviser in tourism planning and development in Vietnam. Email: phamhonglong@gmail.com

Huong H. Do is a lecturer at Thai Binh Duong University, Nha Trang, Vietnam. She was previously Head of the Tourism Department at Hoa Sen University and founding Dean, School of Tourism at the former Hoa Sen College, Ho Chi Minh city. This is also where she devoted her career to develop a theory-practice-balanced curriculum in tourism and hospitality higher education programmes. She earned her PhD in tourism management (Griffith University), her MSc in strategic tourism management (SKEMA Business School), and her MBA in international business (Asian Institute of Technology). Her research focuses on tourist behaviour, destination management and sustainable tourism. Huong was also a national consultant for local tourism destinations and ecotourism development in protected areas in Vietnam funded by local governments and the Asian Development Bank. Email: dhhuongtourism@gmail.com

Andrew Le is a senior lecturer and Postgraduate Program Manager (Tourism, Hospitality, and Events) at the International College of Management Sydney (ICMS), Australia. Previously, he worked as a lecturer and course convenor at several business schools at Southern Cross University, Griffith University and Hanoi University. Andrew holds a PhD from Griffith University (Australia). His research interests cover tourism and hospitality, and sustainable development. Andrew is a reviewer and publishes in these areas in top-tier journals and with publishers such as Springer, CABI and the International Union for Conservation of Nature (IUCN). Additionally, he has worked as a team leader and senior consultant for international development projects funded by Europe Aid, Asian Development Bank (ADB), UNESCO, the Dutch Organisation for Internationalisation in Education (NUFFIC), Spanish Agency for International Development Cooperation (AECID), SNV and USAID. Email: ale@icms.edu.au

Binh Nghiem-Phu is an assistant professor at the School of Economics and Management, University of Hyōgo, Japan. Before that, he taught in other educational institutions in Vietnam and Japan, such as the Thuong Mai University (Vietnam) and Fukushima College – National Institute of Technology (Japan), as a full-time lecturer. The majority of his research is directed towards understanding consumers' perceptions and evaluations of the characteristics and images of products, services, organizations and places. He adopts the approaches of applied psychology theories to the implementation of marketing and management activities. His research papers or academic services can be found in or are with the *Asia Pacific Journal of Marketing and Logistics*, the *Journal of Air Transport Management* and *Tourism and Hospitality Research*.
