about the // AUTHORS

Charles W. L. Hill

Charles W. L. Hill is the Hughes M. Blake Professor of International Business at the School of Business, University of Washington. Professor Hill received his PhD from the University of Manchester's Institute of Science and Technology (UMIST) in Britain. In addition to the University of Washington, he has served on the faculties of UMIST, Texas A&M University, and Michigan State University.

Professor Hill has published over 40 articles in peer-reviewed academic journals, including the *Academy of Management Journal*, *Academy of Management Review*, *Strategic Management Journal*, and *Organization Science*. He has also published two college texts: one on strategic management and the other on international business. Professor Hill has served on the editorial boards of several academic journals, including the *Strategic Management Journal* and *Organization Science*. Between 1993 and 1996 he was consulting editor at the *Academy of Management Review*.

Professor Hill teaches in the MBA, Executive MBA, Management, and PhD programs at the University of Washington. He has received awards for teaching excellence in the MBA, Executive MBA, and Management programs. He has also taught customized executive programs.

Professor Hill works on a consulting basis with a number of organizations. His clients have included ATL, Boeing, RF Goodrich, Hexcel, House of Fraser, Microsoft, Seattle

Steven L. McSha

Steven L. McSha is also at the University of Washington. He has previously taught in the business schools of Tunku Abdul Rahman University and Queen's University. He has conducted executive seminars for the ALCOA World Alumina Group, ALCOA World Alumina Group, and other organizations. He is also a past president of the American Management Association. He has given four dozen talks to faculty and students in over a dozen countries over the past 20 years.

Steve earned his PhD from the University of Washington in organizational behavior, human resources, and labor relations. He also holds a Master's degree in Labor Relations from the University of Washington. He has served as President of the American Management Association (the Academy of Management) and Director of the business faculty at Simon Fraser University.

Along with co-authoring *Organizational Behavior*, Steve is the author of *Canadian Organizational Behavior* (6th ed., 2006), co-author (with
