### 4 a Use keywords for bullets.

- Slides are visual notecards.
  - main ideas
  - not complete thoughts
  - full sentences only when quoting
- For every bullet try to eliminate:
  - articles (a, an, the)
  - pronouns that could be implied (you, we)
  - verbs that could be implied

*If your PowerPoint presentation is meant to function by itself (for example, as a tutorial like this one, or a display at a trade show) then it would be necessary to use full sentences to ensure audience comprehension.*
