## AUTHOR PROFILES

---

**Herbert G. Heneman III** is the Dickson-Bascom Professor Emeritus in the Management and Human Resources Department, School of Business, at the University of Wisconsin–Madison. He also serves as a senior researcher in the Wisconsin Center for Educational Research. Herb has been a visiting faculty member at the University of Washington and the University of Florida, and he was the University Distinguished Visiting Professor at the Ohio State University. His research is in the areas of staffing, performance management, compensation, and work motivation. He is currently investigating the design and effectiveness of teacher performance management and compensation systems. Herb is on the board of directors of the Society for Human Resource Management Foundation and serves as its director of research. He is the senior author of three prior textbooks in human resource management. Herb is a Fellow of the Society for Industrial and Organizational Psychology, the American Psychological Association, and the Academy of Management. He is also the recipient of the career achievement award from the Human Resources Division of the Academy of Management.

**Timothy A. Judge** is the Matherly-McKethan Eminent Scholar, Department of Management, Warrington College of Business, University of Florida. Prior to receiving his PhD at the University of Illinois, Tim was a manager for Kohl's department stores. Tim has also served on the faculties of Cornell University and the University of Iowa. Tim's teaching and research interests are in the areas of personality, leadership and influence behaviors, staffing, and job attitudes. He serves on the editorial review boards of *Journal of Applied Psychology*, *Personnel Psychology*, *Human Resource Management Review*, and *International Journal of Selection and Assessment*. Tim is a former program chair for the Society for Industrial and Organizational Psychology and past chair of the Human Resources Division of the Academy of Management. Tim is a Fellow of the American Psychological Association, the Society for Industrial and Organizational Psychology, the American Psychological Society, and the Academy of Management. In 1995 he received the Ernest J. McCormick Award for Distinguished Early Career Contributions from the Society for Industrial and Organizational Psychology. In 2001 he received the Cummings Scholar Award for the Academy of Management.
