About the Author

Jon Duckett published his first web site in 1996 while studying for a BSc (Hons) in Psychology at Brunel University, London. Since then, he has helped create a wide variety of web sites for companies of all sizes. He has also co-written more than ten programming-related books on topics from ASP to XML (via many other letters of the alphabet), covering diverse aspects of web programming including design, architecture, and coding.

About the Technical Editor

Ben Schupak holds a master’s degree in computer science and has more than nine years of professional programming experience for large corporations and U.S. federal departments. He lives in the New York metro area and enjoys traveling.
