Please note

We believe accurate, plain-English legal information should help you solve many of your own legal problems. But this text is not a substitute for personalized advice from a knowledgeable lawyer. If you want the help of a trained professional—and we'll always point out situations in which we think that's a good idea—consult an attorney licensed to practice in your state.

About the Author

Stephen Fishman is a San Francisco-based attorney and tax expert who has been writing about the law for over 20 years. He is the author of many do-it-yourself law books, including *Deduct It!
