Reading, Writing, and Critical Thinking

Pathways, Second Edition is a global, five-level academic English program. Carefully-guided lessons develop the language skills, critical thinking, and learning strategies required for academic success. Using authentic and relevant content from National Geographic, including video, charts, and other infographics, *Pathways* prepares students to work effectively and confidently in an academic environment.

The *Pathways* Teacher's Guide includes:

- Tips for teaching **Academic Literacy**, including Critical Thinking and Visual Literacy
- Photocopiable **Graphic Organizers** for learners to develop key notetaking skills
- Detailed **Pacing Guides** to provide teaching times to fit your program's needs
- **Assessment Rubric** to help instructors evaluate their learners' writing
- Suggestions for incorporating **Video** in class

Unit-by-Unit instruction provides:

- An overview of each reading passage and video to help teachers prepare for class
- Teaching notes with language and cultural information, and tips for skills instruction
- Recommended times for each section of the unit
- Answer Keys and Video Transcripts
- Ideas for Expansion to extend the skills learned

Assessment materials are available on a CD-ROM with ExamView®, and at the Teacher's Companion Site.
